

Welcome...

We are so glad that you have chosen to worship with us today!

If it has been a while since you've been to church, welcome back. If you are new to our gathering, we would love to learn more about you. Please fill out the "Communication Card" and place it in the offering plate so that we can call you by name the next time we see you! You can also use the communication card if you want to share a prayer request or a meaningful decision that you are making as a result of today's teaching.

Feel free to join us as we sing and worship, or simply listen and take it all in. We want you to feel at home and hope you find the service significant to your spiritual journey.

Pastor Ken
